

## TICKET CODES

The 2022 season will continue with each guest having to pre-book online with their codes. For the comfort and enjoyment of all our guests we will still have a maximum number allowed into the Park each day so ensure you book early to avoid disappointment.

## LINK TO BOOK

The link below will bring you to the page to select your date and after the "next step" button you are then brought to a page where you can input your ticket codes (TW = Entry & wristband, LW = Entry, wristband & Lunch). All TW & LW codes can be inputted in one booking.

Should you have any difficulty redeeming your codes or the system does not recognise them please email [bookings@taytopark.ie](mailto:bookings@taytopark.ie) with the codes and the date you require to visit the Park, and subject to availability we will process your booking.

## CHILDREN AGED 0-2 YEARS

Children aged 0-2 will receive complimentary Junior Zone ticket, you therefore do not need to purchase a code for this age group. However, your child will still need to be accounted for in your booking so once you have redeemed your codes online, please contact us on [bookings@taytopark.ie](mailto:bookings@taytopark.ie) or 01-8351999 Opt 4, quote your booking reference number and we will add any young children to your booking.

## ALLOCATIONS

We have 3 categories of tickets:

**1 = Members / 2 = Pre-Purchased tickets / 3 = General Public**

Each category will commence with the same allocation when we make our booking system live, on certain days a particular category may sell out quicker than the others.

We have to separate the categories as you have pre-purchased codes and therefore cannot be in the same category as the general public as they will be asked for payment for their ticket selection.

## GENERAL TERMS & CONDITIONS FOR PRE-PURCHASED TICKET CODES:
